一、满分范文

范文一　给汤姆的一封信：我的放松周末

A Letter to Tom About My Relaxing Weekend　（约 131 词）

Dear Tom, I'm writing to tell you about my plan for the coming weekend.

On Saturday morning, I will finish my homework first. After that, I will ride my bike along the Tianfu Greenway with my father. The air is fresh and the trees are green, so riding there always makes me feel relaxed. In the afternoon, I will meet my friends at a teahouse near People's Park. While we are drinking tea, we will talk about our favourite books and songs. On Sunday morning, I will take a walk in the park with my grandparents. In the evening, I will stay at home and listen to some light music.

I hope you can join me next time. Would you like to tell me about your weekend plan? Yours, Li Hua

亮点解析

1）书信开头用 Dear Tom 称呼对方，I'm writing to tell you... 一句点明写作目的，简洁自然。2）主体按时间顺序安排周末活动，on Saturday morning、in the afternoon、on Sunday morning 等时间状语把周六与周日的安排交代得清清楚楚。3）While we are drinking tea, we will talk about our favourite books and songs 用 while 从句把两个同时进行的活动连在一起，画面感强；结尾 Would you like to tell me about your weekend plan 用问句收束，亲切自然。

范文二　一次放松的青城山之旅

A Relaxing Trip to Qingcheng Mountain　（约 135 词）

Last Saturday, my parents and I took a train to Qingcheng Mountain for a one-day trip. We left the noisy city behind and felt free at once.

As soon as we arrived, we began to walk up the stone path. The air was fresh, and the mountain was covered with green trees. While we were walking, we heard birds singing and water running. My father told me old stories about the mountain, and my mother took photos of the wild flowers. At noon, we stopped at a small teahouse and ordered three cups of green tea. The owner smiled and told us to take our time. For a moment, time seemed to slow down.

I will go there again this summer. A short trip like this always gives me new energy for the next week.

亮点解析

1）开篇用 Last Saturday 交代时间，took a train to Qingcheng Mountain 直接进入事件，不拖泥带水。2）主体按“出发—登山—喝茶”的顺序展开，The air was fresh、the mountain was covered with green trees 等描写调动视觉与嗅觉，画面清新。3）While we were walking, we heard birds singing and water running 用 while 引导的过去进行时从句配合 hear sb doing 结构，把同时发生的动作写得生动可感；结尾 A short trip like this always gives me new energy 点明放松的意义，升华自然。

亮点句： *While we were walking, we heard birds singing and water running.*　（译文：我们走着走着，听见鸟儿歌唱、溪水潺潺。）

范文三　学习与放松的平衡

Balancing Study and Relaxation　（约 130 词）

Many students in my class study all weekend and never stop to relax. I think this is a problem, because a tired mind cannot work well.

Last term, I also spent every weekend on my homework. When I felt sleepy, I drank coffee and kept writing, but my grades did not improve. Then my teacher gave me some advice. Now I make a short plan every Friday evening. On Saturday morning, I will finish the most important work first and then play basketball for an hour. When I come back, I can focus better. On Sunday afternoon, I usually read a novel or watch a film with my family.

Study and relaxation are like the two wings of a bird. Only when we relax in time can we fly higher.

亮点解析

1）开头用 Many students... never stop to relax 摆出现象，再用 I think this is a problem 表明观点，态度鲜明。2）主体以自己的经历作对比：过去整个周末都用来写作业却收效不大，现在先完成最重要的事再运动，When I come back, I can focus better 一句把“放松促进学习”的道理说透。3）结尾把学习与放松比作鸟的双翼，并用 Only when... can we... 的部分倒装句收束，句式高级，点题有力。

亮点句： *Only when we relax in time can we fly higher.*　（译文：只有及时放松，我们才能飞得更高。）

范文四　我们班的放松日

Our Class Relaxation Day　（约 127 词）

Next Friday, our class will have a Relaxation Day. We hope to put our books aside for a day and enjoy ourselves.

The day will start at nine in the morning. When everyone arrives, we will begin with some easy games on the playground. After that, we are going to play board games in the classroom. While some students are playing chess, others will sing songs and share their favourite music. At noon, we will have a picnic under the trees in the school garden. Each of us will bring some food, and we will eat and talk together.

Not only will we relax our bodies and minds, but we will also learn to work as a team. I'm sure it will be a day to remember.

亮点解析

1）开头用 Next Friday, our class will have a Relaxation Day 点明活动时间与主题，一句话进入情境。2）主体按“上午—中午”的时间线安排活动，When everyone arrives、After that 等时间标记使层次清楚；While some students are playing chess, others will sing songs 用 while 对比两组活动，场面热闹。3）结尾用 Not only... but... 的部分倒装句总结活动的双重收获，既放松身心又学会合作，立意更高。

亮点句： *Not only will we relax our bodies and minds, but we will also learn to work as a team.* （译文：我们不仅能放松身心，还能学会团队合作。）

范文五 给好朋友的放松建议

Advice to a Friend on Relaxing Well （约 130 词）

Dear Li Ming, I'm sorry to hear that you have been tired and worried these days. I'd like to share some advice with you.

First, make a plan for your weekend. When you get up on Saturday, write down the three most important things to do. After you finish them, you will have time to relax. Second, why not go outside and do some exercise? A walk along the river or a game of basketball will make you feel much better. Third, don't spend the whole weekend sitting at your desk. Relaxation is not a waste of time but a way to get ready for a new week.

I hope my advice will help. If you follow it, I'm sure you will feel happier and study better. Yours, Li Hua

亮点解析

1）书信体开头先表达关心，I'm sorry to hear that you have been tired and worried these days 一句拉近距离，I'd like to share some advice with you 自然引出建议，语气亲切。2）主体用 First、Second、Third 分条给出建议，条理清晰；When you get up on Saturday 用 when 从句把做法说具体，why not go outside 一句则让建议更委婉。3）文中 Relaxation is not a waste of time but a way to get ready for a new week 用 not... but... 对比点明放松的价值，结尾 If you follow it, I'm sure... 表达祝愿，温暖有力。

亮点句： *Relaxation is not a waste of time but a way to get ready for a new week.* （译文：放松不是浪费时间，而是为新的一周做好准备的方式。）

My Favourite Way to Relax （约 82 词）

Different people have different ways to relax. My favourite way is listening to music.

Music is like a good friend. It is always there when I need it.

参考译文

不同的人有不同的放松方式。我最喜欢的方式是听音乐。当我感到累的时候，我会戴上耳机，闭上眼睛。轻柔的音乐让我想到青山和蓝天。有时我会跟着歌曲一起唱，忘记所有烦恼。十分钟后，我感觉好多了。我也喜欢阅读，但音乐对我最管用。音乐就像一位好朋友。每当我需要它时，它总在身边。

范文十 放松的重要性

Why Relaxation Matters （约 91 词）

Relaxation is important for everyone, especially for students.

We sit in the classroom for many hours every day. When we are tired, we cannot think clearly. Relaxing for a short time helps us remember what we learn. For example, a ten-minute walk or a cup of tea can make us feel fresh again. We will study better after a good rest.

So please don't be afraid to relax. A short rest is not a waste of time but a smart choice. A happy mind is the best helper in our studies.

参考译文

放松对每个人都很重要，对学生尤其如此。我们每天在教室里坐很多个小时。当我们累的时候，就无法清楚地思考。短暂放松能帮助我们记住所学的内容。例如，散步十分钟或喝一杯茶，就能让我们重新打起精神。好好休息之后，我们会学得更好。所以，请不要害怕放松。短暂休息不是浪费时间，而是聪明的选择。快乐的心情是我们学习上最好的帮手。

A Healthy Life Starts Today　（约 124 词）

Good morning, everyone! Today I'd like to talk about how to stay healthy. Health is the most important thing in life, but many of us sit for too long and sleep too little.

First, we should eat more vegetables and fruit instead of fried chicken and milk tea. Second, we had better exercise for at least an hour every day. Running along the Tianfu Greenway with my father is my favourite way to exercise. Finally, we must stay in a good mood. When we feel stressed, we can talk with our parents or teachers instead of keeping everything inside.

Not only will these habits make us stronger, but they will also help us study better. Let's start today and grow up healthy and strong!

亮点解析

1）演讲开头 Good morning, everyone! 直接称呼听众，Today I'd like to talk about ... 点明话题，符合演讲稿的文体要求；2）主体按 First, Second, Finally 分层给出饮食、运动、情绪三方面建议，should、had better、must 语气由轻到重，层次分明；3）结尾 Not only will these habits ..., but they will also ... 用倒装句升华主题，Let's start today 发出号召，收尾有力。

范文三 那场胃痛教会我的事

What a Stomachache Taught Me （约 123 词）

Last month I had a terrible stomachache after I hurried through a big spicy hot pot dinner with my friends. That night I could not sleep, and the next morning my mother took me to the hospital.

The doctor said I had eaten too much spicy food. He told me that I should eat more slowly and that I had better not eat so much in one meal. Lying in bed, I thought a lot. I used to believe that I could eat anything, but now I know I was wrong.

Since then, I have changed my eating habits. I drink warm water instead of cold drinks and eat more vegetables. Health is like air: we never notice it until we lose it.

亮点解析

1）按记叙文常规顺序展开：起因（吃火锅太急）—经过（夜里难受、就医）—结果（改变习惯），叙事部分用一般过去时，结尾反思转用现在完成时；2）医生的话巧妙嵌入 should 与 had better not，把语法点变成情节的一部分，避免生硬说教；3）结尾 Health is like air ... 用比喻句点出反思，含蓄有力，比空喊口号更能打动人。

A Proposal for Health Week at Our School （约 117 词）

Dear fellow students, our school will hold a Health Week next month to help everyone stay healthy. Here are some suggestions for you.

First, we should take an active part in the morning run and never stay in the classroom all day. Second, we had better bring a water bottle to school instead of buying sweet drinks. Third, the school canteen will offer more vegetables and less fried food, so let's make healthy choices at lunch. Health Week will last only five days, but good habits last a lifetime. Let's start with small steps and make our school a healthier place!

范文五 吃得好，动得多

Eat Well and Move More （约 127 词）

Many of my classmates want to be thinner or stronger, but few of them know the right way. In my opinion, eating well and moving more are the two keys to health.

On the one hand, we should have three meals a day at regular times and eat more vegetables, eggs and milk. We had better stay away from fried chicken and sweet milk tea, because they are full of fat and sugar. On the other hand, we should not exercise too hard. Half an hour of running or rope skipping every day is enough.

A healthy body does not come from a magic pill. It comes from what we eat every day and how often we move. Let's begin with today's dinner and tomorrow's morning run.

亮点解析

1）开头先指出同学中“想变瘦变壮却不懂方法”的现象，再用 In my opinion ... 提出观点，切题干脆；2）主体用 On the one hand ... On the other hand ... 从饮食与运动两方面对照论证，had better 与 should 配合使用，逻辑清楚；3）结尾 A healthy body does not come from a magic pill. 先破后立，最后落实到今天晚饭和明天晨跑，具体可感。

一、满分范文

范文一 一次让我勇敢起来的改变

The Change That Made Me Brave （约 134 词）

Last term, I signed up for the English speech contest at our school. It turned out to be a big change for me, because I used to be afraid of speaking in front of others.

At first, I read my speech again and again, but my voice still shook. My English teacher encouraged me and taught me to look at the audience. Every afternoon, I practised in the classroom with my best friend. When the big day came, I stood on stage, took a deep breath and began. My hands were cold, but I finished the whole speech.

I didn't win a prize, but I am much braver than I used to be. Now I can answer questions in class without fear. The contest taught me that growing up begins with one small step.

亮点解析

1）开头用 Last term 交代时间与事件，signed up for 引出“改变”的起点，used to be afraid of speaking 点明过去的自己。2）全文按“报名—练习—上台”的顺序推进，主体用一般过去时叙事，my voice still shook、took a deep breath 等细节让过程真实可感。3）结尾用 much braver than I used to be 作比较，再用 The contest taught me that ... 收束全文，点出“改变从一小步开始”的成长感悟。

范文二 一次争吵，一次长谈

A Quarrel and a Talk （约 136 词）

Like many teenagers, I used to argue with my mother about my phone. She thought I spent too much time on it, but I felt she never trusted me.

One evening last month, we had a worse argument than ever. I shouted at her and shut myself in my room. Later, I found a bowl of hot noodles on the table with a note: “Eat it before it gets cold.” Suddenly, I felt terribly guilty. I used to think she was only strict, but that night I understood her worry.

The next morning, I said sorry to her and told her my plan for using the phone. She smiled and said she was proud of me. Now we talk for a few minutes every evening. Growing up means learning to understand the people who love us.

范文三 给笔友的一封回信

A Reply to My Pen Pal （约 133 词）

Dear Tom, I'm sorry to hear that you are worried about your grades and that your parents expect too much of you. I know how you feel, because I used to have the same problem.

When I was in Grade Seven, I often felt nervous before exams. What helped me most was talking with my parents. Why don't you tell them how you feel? They may understand you better than you think. It is also a good idea to make a study plan and finish small tasks one by one. When you feel tired, go running along the Tianfu Greenway with a friend. Sports can make you feel much better.

Growing up is never easy, but problems become smaller when we face them. I'm sure you will do better soon. Yours, Li Hua

That night, my father sat beside me and said, “Failure is not the end. It just shows that you need more practice.” The next morning, I got up half an hour earlier and practised on the playground. My shots were terrible at first, but I kept going. Two months later, I tried again and made the team.

Now I am one of the best players on the team. Looking back, I find that the failure taught me more than the success did. It taught me to be patient and never give up.

Now I live in a tall building in the city. Life is busier than before. I used to play outside all afternoon, but now I study until nine every evening. However, my life is also richer. I have made many friends at school, and I can read in the big library near my home.

Compared with the past, I have less free time, but I have more chances to learn. Childhood is a beautiful memory, and growing up is an exciting journey.

范文八 一次难忘的经历

An Unforgettable Experience （约 94 词）

Last term, our school held an English festival. I sang an English song in front of the whole school. It was my first time on stage.

When my parents came back, they were surprised. I am proud of myself because I have learned to look after myself.

参考译文

一、满分范文

范文一 九寨沟：水做的童话世界

Jiuzhaigou: A Wonder Made of Water （约 133 词）

Have you ever heard of Jiuzhaigou? It lies in the north of Sichuan and is one of the most famous natural wonders in China.

The valley is about 40 kilometres long. More than 100 lakes lie along the valley, such as Five Flower Lake, the most colorful one. The water is so clear that you can see stones and fallen trees at the bottom. In autumn, the trees turn red and gold, and the lakes look like mirrors painted with autumn colors. The waterfalls here are the widest I have ever seen, and thousands of litres of water rush down every second.

Why is the water so colorful? The minerals in the lakes give the water its amazing colors. Jiuzhaigou is a gift from nature, and it is our duty to protect it.

亮点解析

1）开篇以 Have you ever heard of Jiuzhaigou 设问引入，再以 one of the most famous 点明主题，开头简洁有力。2）主体按“长度—湖泊—水色—瀑布”的顺序说明，More than 100 lakes、thousands of litres 等数字与计量单位让介绍具体可信，so...that... 突出水的清澈。3）结尾用 Why 设问，再以 The minerals... 一句作答，解释成因，最后以 It is our duty to protect it 收束，由说明转入倡议，立意更深。

范文二 峨眉山上的日出

Sunrise on Mount Emei （约 138 词）

Last October, I climbed Mount Emei with my parents. It is one of the highest mountains in Sichuan and stands over three thousand metres above sea level.

We started to climb at midnight. The path was dark and cold, and I was so tired that I wanted to stop. But when we reached the top at five in the morning, I forgot how tired I was. Below us there was a sea of clouds. Slowly, the clouds turned from gray to pink, and then to gold. When the sun came out, everyone shouted with joy. It was the most wonderful sunrise I have ever seen.

On the way down, I kept thinking about that morning. Nature is the greatest artist, and we are lucky to live so close to its works. Let’s keep them clean for future visitors.

亮点解析

1）首段交代时间、地点，并把最高级与数字结合（one of the highest、over three thousand metres），信息准确。2）第二段按时间顺序叙事，so tired that I wanted to stop 与 I forgot how tired I was 形成反差，用云由灰转粉、再转为金黄的色彩变化写出日出的过程，画面感强。3）结尾由景入理，Nature is the greatest artist 用最高级升华主题，最后以 Let's keep them clean 发出呼吁。

范文三 保护自然奇观倡议书

A Proposal to Protect Our Natural Wonders （约 138 词）

Dear fellow students, Sichuan is famous for its natural wonders. Some of them are among the most beautiful in China. Every year millions of visitors come to see our lakes and mountains. Tourism brings money, but it also brings problems.

Some visitors leave plastic bottles behind, and others pick flowers or feed wild animals. As a result, the water in some lakes is not as clear as before. If this goes on, we may lose the very thing we are proud of.

So I suggest that we should take action. First, take our rubbish home when we go out. Second, remind visitors around us to follow the rules. Finally, join our school volunteer club and help keep our parks clean. It is our duty to protect these wonders for the future. Let's work together and keep them beautiful.

范文四 家乡最美的地方

The Most Beautiful Place in My Hometown （约 116 词）

When people ask me about the most beautiful place in Chengdu, I always think of Xinglong Lake. It is one of the largest lake parks in the city.

The lake is about three kilometres wide, with green trees around it. In spring, flowers open along the paths. In the early morning, old people do tai chi by the water; in the evening, families walk slowly and watch the sun go down. The air there is the freshest in Chengdu, and you can even see fish jumping out of the lake.

For me, Xinglong Lake is more than a park. It is the place where our big city breathes. I hope it will stay this beautiful forever.

范文五 黄龙教会我的事

What Huanglong Taught Me （约 133 词）

Last summer, my family visited Huanglong, a valley in the north of Sichuan. It is famous for its colorful pools, which lie more than three thousand metres above sea level.

I had seen photos of the pools, but they were much smaller in real life. Each pool was only a few metres wide, and the water was rich in minerals. A guide told us that these pools took thousands of years to form. Water, minerals and time worked together, drop by drop.

On the bus home, I thought about what I had learned. The most beautiful things often take the longest time, so we should be patient. Nature also needs our care: one plastic bag left behind can damage what nature spent thousands of years building. That is the lesson Huanglong taught me.

亮点解析

1）首段用同位语 a valley in the north of Sichuan 补充说明黄龙，which 引导的非限制性定语从句介绍海拔，信息密集而句子流畅。2）第二段先写照片中见过的样子，再用 much smaller in real life 制造预期与现实的落差，took thousands of years、drop by drop 让说理具体可感。3）结尾以 The most beautiful things often take the longest time 提炼哲理，再用 one plastic bag 与 thousands of years 对比，警示有力。

亮点句： *The most beautiful things often take the longest time, so we should be patient.* （译文：最美的东西往往需要最长的时间，所以我们应该有耐心。）

一、满分范文

范文一 地震之夜

The Night the Earth Shook （约 132 词）

Last September, a strong earthquake hit our city at about ten at night. I was watching TV with my parents when the whole building began to shake.

At first I was too frightened to move. My father shouted, “Stay calm! Get under the table!” While we were hiding under the dining table, the lights went out and we heard a terrible noise from the walls. We waited until the shaking stopped. Then we put on our shoes and took a bottle of water. We knew we had better not take the lift at such a moment, so we hurried down the stairs. In the yard, our neighbors were already standing together.

That night taught me a lot. Nature's temper is scary, but staying calm and knowing what to do can save lives.

亮点解析

1）开头用过去进行时加 when 的句式 I was watching TV... when the whole building began to shake，把突发的震感写得真实可感。2）主体按“先躲避、后撤离”的顺序推进，While we were hiding... 与 knew we had better not take the lift 既练语法，又给出可操作的安全做法。3）结尾用 but 一转，把惊险经历收束为“冷静加方法能救命”的感悟，紧扣单元主题。

范文二 台风来的那个夜晚

When the Typhoon Came （约 131 词）

Two summers ago, I was visiting my aunt in Xiamen when a typhoon came. The sky turned dark and the wind grew stronger.

That evening, while we were having dinner, the rain began to beat against the windows. The news said the typhoon would arrive at midnight. My aunt filled some bottles with water and put a flashlight beside the bed. She told me we had better stay inside and keep away from the windows. All night the wind was howling, and I could hardly fall asleep. Early next morning, the typhoon passed. Trees lay across the road, and the streets were full of water.

Luckily, no one in my aunt's building was hurt. This experience taught me that nature is

powerful, and that weather reports and early preparation really matter.

亮点解析

范文三 洪水过后，我们手拉手

Hand in Hand After the Flood （约 123 词）

Last July, days of heavy rain made the river in our town rise quickly. One morning, muddy water rushed into the streets of a village near my home.

While my parents were moving things to the second floor, we heard that our elderly neighbors were still trapped in their house. My father and two other men waded through the water and carried them out. In the afternoon, our school set up a small relief center. My classmates and I handed out water, bread and dry clothes to the people there. Nobody complained, though everyone was tired and wet.

Although the flood destroyed houses and roads, it brought us closer. Helping each other in hard times is the warmest answer to nature's cold temper.

亮点解析

1）首段用 days of heavy rain made the river rise quickly 交代背景，简洁有力。2）主体用 While my parents were moving things... 引出邻里互助，waded through the water、handed out 等动词短语让叙述具体可感。3）结尾以 Although... 让步转折加 nature's cold temper 的比喻收束全篇，把“互助”提升为人与自然相处的温暖答案。

亮点句： *Helping each other in hard times is the warmest answer to nature's cold temper.* （译文：在艰难时刻互相帮助，是对大自然冷酷脾气最温暖的回答。）

范文四 防灾，从准备开始

Getting Ready for Natural Disasters （约 139 词）

Good morning, everyone. Today I want to talk about how to get ready for natural disasters. Earthquakes, floods and typhoons may come without warning, so preparation can save lives.

First, find out where the safe places are in your home and school. If an earthquake happens, hide under a strong desk and protect your head. While the ground is shaking, keep away from windows. Second, prepare an emergency bag with water, food, a flashlight and a small radio. Third, take every drill seriously. When the alarm rings, leave the building quickly and never take the lift. Finally, keep calm. Fear makes us do foolish things, but a clear mind helps us find the way out.

Nature's temper is not something we can stop, but we can surely be ready for it. Let's start today, and let's protect each other.

亮点解析

1）演讲稿开头用 Good morning, everyone. Today I want to talk about... 直接点明话题，符合演讲文体。2）主体用 First、Second、Third、Finally 分层给出四条建议，If an earthquake happens... 与 never take the lift 具体可操作。3）结尾用 not something we can stop, but we can surely be ready for it 的对比句发出号召，语气坚定，收束有力。

亮点句： *Nature's temper is not something we can stop, but we can surely be ready for it.* （译文：大自然的脾气我们无法阻止，但我们完全可以为它做好准备。）

范文五 重建家园，心怀感恩

Rebuilding with Gratitude （约 130 词）

Three years ago, a terrible landslide hit a small village west of Chengdu. In a few minutes, houses collapsed and many families lost their homes.

Help arrived very soon. While it was still raining, soldiers were already digging in the mud. Volunteers brought food, water and warm clothes, and a young teacher turned the village office into a classroom so that the children could go on studying. Our school raised money and sent books and desks there. Slowly, new houses stood where the old ones had been.

Last spring, I visited the village again. The children sang for us, and their smiles were brighter than sunshine. Thanks to all those kind people, the village came back to life. I have learned that after a disaster, love rebuilds more than houses.

亮点解析

1）首段用 Three years ago 引出灾害，In a few minutes 强化破坏之快。2）主体用 While it was still raining, soldiers were already digging in the mud 的过去进行时对比，写出救援的及时，so that 引导的目的从句交代孩子们的复课。3）结尾以 brighter than sunshine 的比喻和 Thanks to... 的感恩句收束，最后一句 love rebuilds more than houses 升华主题。

亮点句： *I have learned that after a disaster, love rebuilds more than houses.* （译文：我明白了，灾难过后，爱重建的不只是房屋。）

I got home late, but I was not angry. In that heavy rain, I saw something that made me feel warm.

范文七 一次地震演练

An Earthquake Drill （约 90 词）

First, the teacher told us what to do. Then the alarm rang, and we hid under our desks and protected our heads. After that, we stood up, lined up and walked downstairs quickly. We did not push or run. In two minutes, we were all standing on the playground.

The drill was short, but it taught me a lot. If a real earthquake comes, I will know what to do and stay calm.

参考译文

The next afternoon, the typhoon passed. The sun came out again. I learned that staying calm is the best thing to do in a storm.

一、满分范文

范文一 写给安娜的餐桌礼仪信

A Letter About Chinese Table Manners （约 125 词）

Dear Anna, I'm writing to tell you about Chinese table manners, because you will have dinner with my family next Friday. Here are a few tips.

First, you are supposed to let the elders start first. When my grandma picks up her chopsticks, everyone begins. Second, it is polite to say "Thank you" when someone puts food into your bowl. My mother will keep doing that, because it is her way of showing friendliness. Third, it is impolite to stick your chopsticks upright in the rice. You can put them on the small plate beside your bowl instead.

If you are not sure what to do, just watch others and follow them. I am sure you will enjoy the hotpot and feel at home here.

亮点解析

1）书信开头用 I'm writing to tell you about... 直接点明写作目的，再用 Here are a few tips. 自然过渡到正文。2）主体按 First, Second, Third 分层，be supposed to、it is polite to、it is impolite to 三个句型交替使用，既说"该做"也说"不该做"，条理清楚。3）it is her way of showing friendliness 点出礼仪背后的善意，结尾 I am sure you will enjoy the hotpot and feel at home here. 把建议变成欢迎，语气亲切。

亮点句： *My mother will keep doing that, because it is her way of showing friendliness.* （译文：我妈妈会一直这样做，因为这是她表达友好的方式。）

范文二 中英餐桌礼仪的差异

Table Manners in China and the UK （约 131 词）

Last term our English teacher, Mr Green, told us about meals in the UK. It was surprising to find how different they are from ours.

In China, dishes are placed in the middle of the table and shared. The host keeps putting food into your bowl. In the UK, everyone has his or her own plate, and people pass the food and say "please". Chinese people let the elders start first, while British people wait until everyone is

served. Besides, you are supposed to keep your hands on the table in the UK, and it is impolite to put a knife in your mouth.

Different as they are, both sets of manners show respect and care. Knowing the differences helps us avoid mistakes and make friends with people from other countries.

亮点解析

1）开头由英语老师的话引入，It was surprising to find... 一句点出“差异”，起笔自然。2）主体用 In China... In the UK... 配合 while、Besides 层层对比，共享菜与分餐、长辈先动筷与等人到齐、手放桌上与不把刀放进嘴里，be supposed to 和 it is impolite to 用得准确。3）结尾 Different as they are, ... 是 as 引导的让步倒装，句式高级，随后把差异落到 respect and care 上，避免只罗列不同而缺少理解。

亮点句： *Different as they are, both sets of manners show respect and care.* （译文：尽管中英两套餐桌礼仪并不相同，它们都体现了尊重与关心。）

范文三 一次筷子引起的误会

A Misunderstanding About Chopsticks （约 131 词）

Last summer, my English friend Peter came to Chengdu. My family invited him to a hotpot dinner to welcome him.

Everything went well until the end of the meal. Peter left his chopsticks upright in his rice bowl, and my grandma's smile suddenly disappeared. Peter did not know why. I told him in a low voice that chopsticks standing in rice look like incense that people burn for the dead, so it is impolite to do that at the table. His face turned red and he said sorry at once.

Later, Peter learned to put his chopsticks on the small plate beside his bowl and to use public chopsticks. He said the dinner taught him more than a language class. Manners are a language too, and understanding them brings people closer.

亮点解析

1）故事按时间推进：Peter 把筷子立在饭碗里、奶奶的笑容消失，用动作和表情的变化制造小冲突，入题快。2）说明部分用 that 引导的宾语从句交代原因，look like incense that people burn for the dead 点明禁忌的文化含义，让误会有了根。3）结尾 Manners are a language too, ... 用比喻收束，把一次小尴尬升华为对文化理解的认识，立意更高。

亮点句： *Manners are a language too, and understanding them brings people closer.* （译文：礼仪也是一种语言，理解它能让人们的距离更近。）

范文四 校园文化节上的世界餐桌

World Tables at Our Culture Festival （约 124 词）

Our school will hold a Culture Festival next month. This year's theme is “One World, Many Tables”, and our class is going to show table manners from different countries.

At our corner, you can see posters about Chinese, British, Japanese and Indian table manners. In one small game, visitors are supposed to choose the right chopsticks or knife and fork for each dish. Our foreign teachers will also tell stories about meals at home. Not only will you learn what

is polite in other countries, but you will also taste Chinese tea and British afternoon tea.

I hope you will come and enjoy it. If you are not sure about a custom, just ask. It is always polite to show interest in another culture.

亮点解析

1）第一段交代文化节的时间、主题和班级任务，theme 一句直接引用，信息清楚。2）主体按“看海报、玩游戏、听故事、品茶”的活动顺序展开，In one small game, visitors are supposed to... 把读者带进情境，Not only will you... but you will also... 用倒装句式让介绍有层次。3）结尾用 I hope you will come and enjoy it. 发出邀请，并补上一句不懂就问也是礼貌，把文化节的意义落在态度上。

亮点句： *Not only will you learn what is polite in other countries, but you will also taste Chinese tea and British afternoon tea.* （译文：你不仅能了解其他国家的礼节，还能品尝到中国茶和英式下午茶。）

范文五 入乡随俗

When in Rome, Do as the Romans Do （约 131 词）

As the saying goes, “When in Rome, do as the Romans do.” It means we should follow local customs in a new place.

Last year my cousin Lily went to study in London. At her first dinner, she waited for others to start eating, but her host family had already begun. She kept waiting, and her food went cold. Later she learned that in the UK guests are supposed to start when the host says “help yourself”. She also found that it is polite to eat everything on the plate, while in China the host always worries that you are still hungry.

Now Lily always asks about the rules before she visits a new place. Following local customs is not losing our own culture; it is a way of showing respect.

亮点解析

1）开头引用谚语并一句话解释，直接点题，是观点类作文的经典开头。2）主体用表姐 Lily 在伦敦的经历支撑观点，wait for others 与 host says “help yourself” 的矛盾具体可感，be supposed to 和 it is polite to 自然嵌入。3）结尾 Following local customs is not losing our own culture; it is a way of showing respect. 用正反对比把道理说透，从“守规矩”提升到“尊重”。

亮点句： *Following local customs is not losing our own culture; it is a way of showing respect.* （译文：遵循当地习俗并不是丢掉自己的文化，而是表达尊重的一种方式。）

范文六 中国的餐桌礼仪

Chinese Table Manners （约 90 词）

Table manners are an important part of Chinese tradition. They show our respect for other people.

Firstly, we should let older people start eating before us. Secondly, when the host puts food into our bowls, it is polite to say "Thank you". Thirdly, it is impolite to stick our chopsticks upright in the rice or tap our bowls with them. We also use public chopsticks to keep the food clean.

These manners are easy to learn. If you follow them, you will have a good time at a Chinese dinner.

参考译文

餐桌礼仪是中国传统的重要组成部分。它们体现了我们对他人的尊重。首先，我们应该让长辈先动筷。其次，主人给我们夹菜时，说一声"谢谢"是有礼貌的。第三，把筷子直插在米饭里，或者用筷子敲碗，都是不礼貌的。我们还使用公筷，以保持食物卫生。这些礼仪很容易学会。如果你照着做，就会在中国的饭桌上吃得愉快。

范文七 一次难忘的文化体验

An Unforgettable Cultural Experience （约 103 词）

Last month our class had English afternoon tea with Miss White, our foreign teacher.

At the tea party, we sat around a big table and passed food to each other. Miss White told us that we were supposed to keep our hands on the table and hold the fork in the left hand. I reached across the table for a cake, and she said, "It is more polite to ask someone to pass it." My face turned red, but I learned something new.

After that, I always say "please" and "thank you" at the table. Small rules like these make people feel comfortable.

参考译文

上个月，我们班和我们的外教怀特老师一起喝了一顿英式下午茶。喝茶时，我们围坐在一张大桌子旁，互相传递食物。怀特老师告诉我们，我们应该把手放在桌上，并且用左手拿叉。我伸手越过桌子去拿一块蛋糕，她说："请别人递给你会更有礼貌。"我的脸红了，但我学到了新东西。从那以后，我在餐桌旁总是说"请"和"谢谢"。这些小小的规矩会让别人感到舒服。

范文八 春节与圣诞节的差异

Spring Festival and Christmas （约 101 词）

Spring Festival and Christmas are both important festivals, but they are quite different.

During Spring Festival, Chinese families get together and eat dumplings or a big dinner. Children receive red envelopes from their parents. At Christmas, Western families also get together, but they eat turkey and give each other presents. In the West, it is polite to open a present right away. Spring Festival is mainly about family, and Christmas is a time for family and friends too.

Although they are different, both festivals are full of love and good wishes. That is why people all over the world love them.

参考译文

春节和圣诞节都是重要的节日，但它们很不一样。春节期间，中国家庭团聚在一起，吃饺子或吃一顿丰盛的年夜饭，孩子们会收到父母给的红包。圣诞节时，西方家庭也会团聚，但他们吃火鸡，还互赠礼物。在西方，收到礼物后马上拆开是有礼貌的。春节主要是家人团聚，圣诞节则是家人和朋友相聚的时刻。虽然它们不同，但两个节日都充满了爱和美好的祝愿。这就是世界各地的人们都喜欢它们的原因。

范文九 给汤姆的一封信

A Letter to Tom （约 95 词）

范文十 尊重文化差异

Respecting Cultural Differences （约 95 词）

People from different countries have different customs. This is quite normal and very interesting. Knowing them helps us understand the world better.

We should not laugh at others when they do something in a different way. Last term, a new student from England ate rice with a fork, and some of us laughed. Our teacher told us that it is impolite to laugh at others. We should ask questions and learn from each other.

Being different does not mean being wrong. When we respect other cultures, we make more friends and see a bigger world.

参考译文

来自不同国家的人有不同的习俗。这很正常，也很有趣。了解这些习俗能帮助我们更好地理解世界。当别人用不同的方式做事时，我们不应该嘲笑他们。上个学期，一位来自英国的新同学用叉子吃米饭，我们中有几个人笑了。老师告诉我们，嘲笑别人是不礼貌的。我们应该提问，互相学习。不同并不意味着错误。当我们尊重其他文化时，我们会交到更多朋友，也会看到更大的世界。

A Letter to Recommend a Good Book　（约 118 词）

Dear Tom, I'm writing to recommend a book to you. Wonder is one of the most moving books that I have ever read.

The story is about August, a ten-year-old boy who was born with an unusual face. He had studied at home for years, so he was afraid of meeting new people. When he finally went to a real school, some children laughed at him. However, he faced every difficulty with courage and kindness, and in the end he won their friendship. The book has taught me that kindness matters more than appearance.

At first I read only a few pages a day. Little by little, I found myself lost in the story about a clever spider and a little pig. The book, which is about true friendship, touched my heart deeply. Last Friday our school held a book-sharing session in the library. More than fifty students took part in it, and I was one of the speakers.

When it was my turn, I walked to the front and shared my favourite book, The Little Prince. I told the story of a young prince who travels from planet to planet, and then I read aloud the part where a fox teaches him about friendship. My classmates listened carefully, and some of them even wrote down the title. Afterwards, several of them came to borrow the book that I had talked about.

What a Book Character Taught Me　（约 114 词）

Of all the characters that I have met in books, Robinson Crusoe is the one who has impressed me most.

He was a sailor who lost his ship in a storm and lived alone on a desert island for twenty-eight years. Instead of giving up, he built a house, grew corn and made tools with his own hands. Whenever he was in trouble, he told himself that there must be a way out.

范文五　我是怎样养成阅读习惯的

How I Formed a Reading Habit　（约 127 词）

Reading has become an important part of my life, but two years ago I preferred playing games to opening a book.

My change started with a simple plan. I put the book that I liked best on my desk and read ten pages before going to bed every night. At first it was hard, because my phone kept me from reading. Then I moved my phone to another room. After a month, I was reading thirty pages a night, and I began to take notes in a small notebook. So far I have finished twelve books and joined the reading club at our school.

A good habit does not come overnight. If you read a little every day, you will be surprised by the change it brings.

亮点解析

1）开头用现在完成时 has become 与 two years ago 的 preferred playing games to opening a book 形成对比，交代“从不愿翻书到离不开书”的变化；2）主体按时间顺序写习惯的养成：put... on my desk、moved my phone to another room、I was reading thirty pages a night，细节真实、方法可学；3）So far I have finished... 用现在完成时小结成果，结尾以 A good habit does not come overnight 和条件句 If you read a little every day... 给出建议，收束自然。

亮点句： *I put the book that I liked best on my desk and read ten pages before going to bed every night.*（译文：我把最喜欢的书放在书桌上，每天晚上睡觉前读十页。）

一、满分范文

范文一 养老院里难忘的一天

An Unforgettable Day at the Nursing Home （约 132 词）

Last winter holiday, I joined a volunteer group in our community to visit a nursing home near People's Park. I was new to this work, so I felt both excited and nervous.

When we arrived, we started work at once. Some students cleaned the windows, and others talked with the old people. My job was to teach Grandpa Wang to use a smartphone, so that he could video-call his grandson in another city. When his grandson's face appeared on the screen, Grandpa Wang laughed like a child. Not only did we keep the old people company, but we also learned a lot from their stories.

Since that day, I have visited the nursing home three times. Volunteering has taught me that a small act of kindness can bring sunshine to someone's day.

亮点解析

1）开头用 Last winter holiday 交代时间，to visit a nursing home near People's Park 用不定式点明活动目的，并带出人民公园这一本地地标，亲切自然；2）主体按“到达—分工—教爷爷用手机—感悟”的顺序记叙，so that he could video-call his grandson 说明服务的具体意义，末句用 Not only 开头的倒装把叙述推向高潮；3）结尾用 Since that day 引出的现在完成时写出志愿服务的延续，a small act of kindness can bring sunshine to someone's day 升华主题。

亮点句： *Not only did we keep the old people company, but we also learned a lot from their stories.*（译文：我们不仅陪伴了老人们，还从他们的故事中学到了很多。）

范文二 校园志愿活动倡议书

A Proposal for School Volunteer Activities （约 137 词）

Dear fellow students, have you noticed that some books on our library shelves are in a mess, and that some new students still feel lonely? These small problems can be solved if we lend a hand.

Our volunteer team has planned three activities for this term. First, we will work in the library every Friday to put the books back in order. Second, we will clean the playground after lunch. Third, we will show new students around and help them make friends. At the end of the term, we will share what we have learned.

In my opinion, volunteering is not a waste of time but a chance to grow. It has made me more patient and outgoing. Why not join us and give a hand this weekend? Together, we can make our school a warmer place.

亮点解析

1）倡议书以 Dear fellow students 开头，have you noticed that 引出的现在完成时与设问拉近了和读者的距离；2）主体用 First、Second、Third 列出三项活动，并用 to put the books back in order 这样的不定式说明活动目的，条理清楚；3）结尾 In my opinion 亮明观点，再用 Why not 句发出号召，语气友好而有感染力。

范文三 帮助他人的意义

The Meaning of Helping Others （约 126 词）

Some people think that helping others takes time and energy. In my opinion, it is one of the happiest things in the world.

Last term, my classmate Li Ming was ill and missed a week of lessons. After school, I went to his home every day to share my notes and explain the difficult maths problems to him. He was worried about the coming exam, so I encouraged him to try his best and told him not to give up. Two weeks later, he passed the exam with a big smile.

Helping others does not always mean doing big things. A kind word or a helping hand is enough. I have learned that when we give warmth to others, we also light up our own life.

亮点解析

1）开头用 Some people think 引出他人的看法，再用 In my opinion 亮明自己的观点，观点鲜明；2）主体通过帮助同学李明补课的一次经历说明道理，went to his home to share my notes 用不定式表目的，explain the difficult maths problems to him 与 encouraged him to try his best 写出具体的帮助；3）结尾 Helping others does not always mean doing big things 把道理说透，再用 I have learned that 引出的现在完成时升华主题。

亮点句： *I have learned that when we give warmth to others, we also light up our own life.* （译文：我明白了，当我们把温暖送给别人时，也照亮了自己的生活。）

范文四 给社区的一封信

A Letter to Our Community （约 131 词）

Dear neighbours, I am Li Hua, a student from Chengdu Yulin Middle School. I have lived in this community for twelve years, and I have seen many wonderful changes here.

Thanks to the community workers, our garden has become a beautiful place to relax, and new benches have been placed along the paths. However, I have noticed that some old people feel lonely during the day, and some children have nowhere to go after school.

To make our community better, I suggest a weekend volunteer programme. Students can help

children with their homework, and we can visit the old people, chat with them or take a walk together. I hope more neighbours will join us. If everyone gives a little time, our community will become a warmer home. Yours, Li Hua.

亮点解析

1）书信开头先自我介绍，I have lived in this community for twelve years 与 I have seen many wonderful changes 用现在完成时说明“我”与社区的关系，亲切自然；2）第二段先肯定社区的变化，再用 However 引出老人孤独、孩子放学后无处可去的问题，为下文建议作铺垫；3）结尾用 To make our community better 的不定式表目的提出建议，最后以 If everyone gives a little time 引出的条件句收束，号召力强。

范文五 志愿服务改变了我

Volunteering Has Changed Me （约 131 词）

Two years ago, I was a shy girl who was afraid to speak in front of others. Then I joined the volunteer team of our school, and my life began to change.

At first, I only did small things, such as handing out water to runners along the Tianfu Greenway. Later, I became the leader of a reading programme in the community library. Every Saturday morning, I read stories to younger children and helped them choose books. To do the job well, I have learned to speak clearly and patiently. Little by little, I have become more confident and outgoing.

Volunteering has given me much more than I have given to others. It has taught me that everyone can make a difference, and I will keep on helping people around me.

亮点解析

1）开头用 Two years ago 与 Then 形成前后对比，who was afraid to speak in front of others 用定语从句交代“我”从前的样子；2）主体按“做小事—当负责人—慢慢改变”的顺序记叙，such as handing out water 用动名词举例，To do the job well 用不定式表目的，Little by little 写出变化的过程；3）结尾 Volunteering has given me much more than I have given to others 用现在完成时总结收获，everyone can make a difference 点题升华。

范文十 人人都能做好事

Everyone Can Do Good （约 91 词）

Some people think that only rich people can do good things. I don't agree.

In fact, everyone can do something. On the bus, we can give our seat to an old person. In the park, we can pick up the litter on the ground. At school, we can help a classmate with a difficult question. These things are small, but they make people happy.

I have learned that a good deed is never too small. If everyone does one small good thing every day, our world will become better and better.

参考译文

有些人认为只有有钱人才能做好事。我不同意。其实，每个人都能做点什么。在公交车上，我们可以给老人让座。在公园里，我们可以捡起地上的垃圾。在学校里，我们可以帮助同学解答难题。这些都是小事，却能让人感到快乐。我明白了，善事再小也不嫌小。如果每个人每天都做一件小小的好事，我们的世界会变得越来越好。
