Unit 1　Animal Friends

动物朋友

本单元语法重点：一般现在时；can 表能力；形容词描述

本单元写作任务：My Animal Friend（我的动物朋友）

〇、本单元写作常用句型

1. **My favourite animal is the panda, because it is cute, quiet and a little shy.**

   我最喜欢的动物是熊猫，因为它可爱、安静，还有点害羞。

   【用法】一般现在时点明喜好，because 引导原因状语从句，三个形容词（短语）并列描写性格，最适合放在开头第一句。

2. **It has two big black eyes and a short tail, and it looks like a soft ball of fur.**

   它有两只大大的黑眼睛和一条短尾巴，看起来像一个毛茸茸的软球。

   【用法】has 描写外形，look like 表示“看起来像”；先把眼睛、尾巴写清楚，再打一个比方，动物的样子立刻活起来。

3. **My dog can understand me when I am sad, and he can make me laugh again.**

   我难过的时候，我的狗能懂我，还能让我重新笑起来。

   【用法】can + 动词原形表示能力，when 引导时间状语从句，两个 can 句连用，写出动物与人之间的感情。

4. **Every morning, I take him for a walk along the greenway near my home.**

   每天早上，我带着它在我家附近的绿道上散步。

   【用法】一般现在时配合 Every morning 表示习惯；take sb for a walk 是“带某人散步”的固定搭配，写宠物日常最好用。

5. **The monkeys are really funny, and they jump from tree to tree to ask us for food.**

   猴子们真有趣，它们在树间跳来跳去，还向我们要吃的。

   【用法】先用形容词 funny 概括印象，再用 and 补充具体动作，动词不定式 to ask 表示目的，是动物园见闻类段落的常用写法。

6. **Animals are our friends, and we can do a lot to help them.**

   动物是我们的朋友，我们能做很多事来帮助它们。

   【用法】结尾点题句，can 表示能力与可能，to help 作目的状语，适合倡议类、演讲类作文的收束。

7. **If we keep the water clean, the fish in the river can live a happy life.**

如果我们保持水质干净，河里的鱼就能过上快乐的生活。

【用法】if 条件句用一般现在时，主句用 can 表示结果，写“保护动物”的建议时既讲道理又提做法。

8. **Not only do animals make us happy, but they also teach us to be kind.**

动物不仅让我们快乐，还教会我们善良。

【用法】Not only 置于句首时主句要部分倒装，but also 补充递进，放在结尾能明显提分。

一、满分范文

范文一 小狗豆豆

My Dog Doudou （约 112 词）

My favourite animal is my dog Doudou. He is a small brown dog with big black eyes, and he is the newest member of my family.

Doudou is only one year old, but he is very clever. He can sit down, shake hands and catch a ball. Every morning, I take him for a walk along the greenway near my home. He runs after birds happily, but he never hurts them. When I come home from school, he waits for me at the door and wags his tail.

Doudou is more than a pet to me. He is my best friend, and he makes every day of my life warm and interesting.

亮点解析

1）开头用 My favourite animal is my dog Doudou 直接点题，with big black eyes 一句勾出小狗的外形，让人一眼记住它。2）主体先用 but he is very clever 一转，再以一个 can 句连写坐下、握手、接球三个本领；Every morning 与 When I come home from school 两个时间状语把日常写得有条理，never hurts them 又写出小狗的温顺。3）结尾用 more than a pet 重新定义人狗关系，以 warm and interesting 收束，感情真挚。

亮点句： *When I come home from school, he waits for me at the door and wags his tail.* （译文：我放学回家时，它就在门口等我，摇着尾巴。）

范文二 动物园里的朋友们

Friends at the Zoo （约 123 词）

Chengdu Zoo is a green and quiet place in the north of our city. I often go there with my parents on sunny weekends.

We always start with the panda house. The pandas are lazy and lovely, and they eat bamboo slowly and then sleep in the trees. Next to them live the monkeys. They are really funny, and they jump from tree to tree to ask us for food. The elephants are the biggest animals there. They walk slowly and use their long noses to pick up food. My little brother loves the birds best, because their colours are so bright.

A day at the zoo is never boring. The animals are our friends, and they teach us to love the world.

亮点解析

1）开头交代动物园的位置和常去的时间，green and quiet 两个形容词让画面一下子清晰起来。2）主体按“熊猫馆—猴子—大象—鸟”的顺序展开，lazy and lovely、really funny、the biggest 各有侧重；Next to them live the monkeys 用倒装句避免平铺直叙，句式有了变化。3）结尾用 never boring 总结一天感受，再以动物教会我们爱世界收束，主题自然升华。

亮点句： *Next to them live the monkeys.* （译文：紧挨着它们住的是猴子。）

范文三 请爱护我们的动物朋友

Let's Protect Our Animal Friends （约 123 词）

Dear friends, do you know that many animals are in danger now? Some of them lose their homes because people cut down too many trees.

We can do a lot to help them. First, we can keep the rivers and parks clean. A clean river is a safe home for fish and birds. Second, we can be kind to the animals around us. Please don't throw stones at street cats or birds, because they also feel pain. Third, we can tell our family and friends to say no to animal shows. Animals are our friends, not our toys.

Small steps make a big difference. If everyone gives a little love, our city will be a warmer home for every animal. Let's start today.

亮点解析

1）开头以 Dear friends 呼告，再用问句 do you know that many animals are in danger now 引起读者注意，because 从句交代动物失去家园的原因。2）主体用 First、Second、Third 三条建议层层推进，每条建议后都跟一句理由或做法；A clean river is a safe home for fish and birds 把干净的河流比作安全的家，Please don't throw stones 用祈使句提出行为要求。3）结尾用 If everyone gives a little love 展望美好结果，再以 Let's start today 发出号召，简短有力。

亮点句： *Animals are our friends, not our toys.* （译文：动物是我们的朋友，不是我们的玩具。）

范文四 车底下的那只小猫

The Little Cat Under the Car （约 130 词）

It is a cold Saturday morning in December. My cousin and I walk to the park near our school. Suddenly, we hear a weak cry under a parked car.

I look down and find a little cat under the car. She is small and wet, and her eyes are full of fear. She cannot stand up. I take off my scarf and wrap her in it. My cousin buys some cat food from a shop, and we feed her slowly. Then we take her to an animal hospital. The doctor says she is only two months old.

Now she lives with us, and we call her Lucky. She is healthy and happy, and she follows me everywhere. I am lucky too, because she brings so much joy to my family.

亮点解析

1）开头用 It is a cold Saturday morning in December 交代场景，Suddenly 引出一声微弱的叫声，一下把读者带进故事。2）主体全部用一般现在时叙述，look down、take off、wrap、feed 几个动作一气呵成，节奏紧凑；small and wet 与 full of fear 写出小猫的无助，为下文救助作铺垫。3）结尾用 I am lucky too 一转，把“我救了小猫”写成“我也被小猫治愈”，立意温暖。

亮点句： *I take off my scarf and wrap her in it.* （译文：我解下围巾，把她裹了起来。）

范文五 动物是我们的朋友

Animals Are Our Friends （约 117 词）

Good morning, everyone! Today I want to talk about our animal friends.

Animals are around us every day. Some live in our homes, like dogs and cats. Some live in the forests and rivers. They are different in size and colour, but they are all important. Dogs can help blind people walk safely. Birds can tell us when the seasons change. Even small bees work hard and give us sweet honey. Animals are not only beautiful but also helpful to us.

However, some people still hurt animals for money. It is time to stop this. Let's be kind to every animal around us. A safe world for animals is a better world for us all. Thank you!

亮点解析

1）演讲稿开头用 Good morning, everyone! 打招呼，再用 Today I want to talk about... 点明话题，符合演讲的文体要求。2）主体先用 Some... Some... 分写家养动物和野生动物，再用 Dogs can... Birds can... 等 can 句举例说明动物对人的帮助，not only... but also 一句小结，层次清楚。3）结尾用 However 转折指出伤害动物的现象，最后以 A safe world for animals is a better world for us all 收束，把爱护动物与爱护人类自己联系起来，立意更深。

亮点句： *A safe world for animals is a better world for us all.* （译文：一个让动物安全的世界，对我们所有人来说也是更好的世界。）

I cannot take it home, because my grandma is afraid of cats. But I can feed it and keep it warm. A friend is a friend, big or small.

范文一　欢迎来到三班：我们的班规

Welcome to Class Three: Our Class Rules　（约 126 词）

Dear Peter, welcome to Class Three! You asked me about our class rules, so let me tell you the most important ones.

First, arrive at school before the bell and hand in your homework on time. Second, we must wear our school uniforms every Monday, because we have a flag-raising ceremony that morning. Third, keep the classroom clean and put your rubbish in the bin. Don't run in the hallway, and don't shout in the reading room. You can bring a dictionary to English class, but you can't use your phone during lessons.

At first these rules may seem strict, but they help us study well and get on well with each other. Follow them, and you will soon feel at home here. Yours, Li Hua

亮点解析

1）书信开头用 Dear Peter 称呼，再以 welcome to Class Three 表示欢迎，You asked me about our class rules 交代写信目的，语气友好自然。2）主体用 First、Second、Third 逐条列出班规，must、can、can't 与 Don't 开头的祈使句交替出现，既说清“必须做什么”，也说清“不能做什么”，条理分明。3）结尾先用 At first... but... 承认规则看似严格，再点出好处，最后以 Follow them, and... 收束，把“遵守”与“收获”连在一起，让人乐于接受。

亮点句：*Follow them, and you will soon feel at home here.*　（译文：遵守这些规则，你很快就会在这里感到像在家里一样自在。）

范文二　一次迟到给我的教训

A Late Arrival Taught Me a Lesson　（约 139 词）

Our class has a simple rule: arrive before the bell. Last Tuesday, I broke it.

That morning I stopped at the school shop to buy a notebook. The queue was long, and the first bell rang before I could pay. I ran across the playground, but Mr. Li was standing at the door. He asked me to stand at the back of the classroom. My face burned, and I felt everyone was looking at me. I thought the rule was too strict for such a small thing.

At lunch, Mr. Li did not scold me. He just said, 'Ten minutes late is still late.' That afternoon I understood something important. A rule is not a cage; it is a promise we make to each other. Now I leave home ten minutes earlier, and I have not been late again.

亮点解析

1）开头用 Our class has a simple rule 交代班规，紧接着 Last Tuesday, I broke it 形成反差，一句话就把读者带进故事。2）主体按“买本子—排队—铃响—跑到门口—站到教室后面—脸红”的顺序叙述，before I could pay、I ran across the playground 等细节让情节紧凑；I thought the rule was too strict 写出当时的不服气，为下文的转变作铺垫。3）结尾借老师的一句 Ten minutes late is still late 点醒自己，再用 A rule is not a cage; it is a promise we make to each other 升华认识，最后以 I have not been late again 用行动证明改变，真实可信。

亮点句： *A rule is not a cage; it is a promise we make to each other.*　（译文：规则不是牢笼，而是我们彼此许下的承诺。）

范文三　关于家规，我想和你们聊聊

Let's Talk About Our Family Rules　（约 139 词）

Dear Mum and Dad, thank you for taking care of me. I want to talk about our family rules, and I hope you will listen to my ideas.

I know rules are important at home, but some of them make me unhappy. For example, I have to finish all my homework before I can play basketball, and I must go to bed at nine every night. Could we change them a little? I would like to play for half an hour first, and then do my homework. On Friday nights, may I go to bed at ten? Also, let's make one rule for the whole family: no phones at the dinner table, so we can talk together.

Rules work best when everyone helps to make them. If you agree, let's have a family meeting this Sunday. Yours, Li Hua

亮点解析

1）书信开头用 Dear Mum and Dad 称呼，thank you for taking care of me 先表达感谢，再提出 I hope you will listen to my ideas，态度礼貌而有主见。2）主体先承认 I know rules are important at home，再用 but some of them make me unhappy 转入建议；have to、must 陈述现有的规定，Could we...? 和 may I...? 用疑问句提出请求，语气委婉，父母更容易接受。3）结尾用 Rules work best when everyone helps to make them 点明道理，并以 If you agree, let's have a family meeting this Sunday 给出具体可行的做法，落点实在。

亮点句： *Rules work best when everyone helps to make them.*　（译文：当每个人都参与制定规则时，规则才能发挥最好的作用。）

范文四　进图书馆前，请先读这些规则

Read These Rules Before You Enter the Library　（约 116 词）

Welcome to our school library! It is a quiet place for reading and studying, so we need some rules to keep it that way. Please read them before you come in.

First, keep your voice down. Don't talk loudly or answer phone calls in the reading room. Second, don't bring food or drinks, because they may damage the books. Third, put the books back on the shelf after you read them, and don't move the chairs around. You can borrow two books at a time, and you must return them in two weeks. If you lose a book, please tell the

librarian.

Follow these rules, and the library will be a comfortable home for every reader.

亮点解析

1）开头用 Welcome to our school library! 营造告示的语气，so we need some rules to keep it that way 说明立规则的原因，Please read them before you come in 自然引出下文。2）主体用 First、Second、Third 分类说明“保持安静、不带食物饮料、看完归位”等规则，Don't 开头的否定祈使句与 you can、you must 交替使用，既讲清“不能做”，也讲清“可以做什么、必须做什么”，指示明确。3）结尾用“祈使句 + and”的 Follow these rules, and... 收束，把规则与“舒适的阅读之家”联系起来，让人愿意遵守。

亮点句： *Follow these rules, and the library will be a comfortable home for every reader.*　（译文：遵守这些规则，图书馆就会成为每位读者舒适的家。）

范文五　规则让生活更美好

Rules Make Life Better　（约 134 词）

Good morning, everyone! Today I want to talk about rules. Some of you may think rules are boring, but I have found that they make our life better.

Think about the traffic lights on Tianfu Avenue. When everybody waits for the green light, the road is safe. Think about a basketball game. Without rules, players push and shout, and no one can enjoy the game. The same is true of our school. When we keep the rules, we have a clean classroom, a quiet library and friendly classmates.

So please don't see rules as something that limits us. Rules do not take away our freedom; they keep it safe. They teach us to respect others and help us live together happily. Let's start with small things, and our life will be better and better.

亮点解析

1）演讲稿开头用 Good morning, everyone! 打招呼，再以 Some of you may think rules are boring, but... 先设对立面再亮出观点，一下子就抓住听众。2）主体用 Think about... 两次举例，把天府大道的红绿灯和篮球比赛摆到听众眼前，再用 when 从句说明规则带来的结果，由交通、比赛推及学校，层层递进。3）结尾用 Rules do not take away our freedom; they keep it safe 一句对比点题，最后以 Let's start with small things... 发出号召，符合演讲的收尾方式。

亮点句： *Rules do not take away our freedom; they keep it safe.*　（译文：规则并没有夺走我们的自由，而是让自由更安全。）

范文六 我的班规

My Class Rules （约 85 词）

Every class needs rules. Our class has five rules, and I think they are good for us.

First, arrive at school on time. Second, wear school uniforms every Monday. Third, keep the classroom clean and tidy. Fourth, don't run in the hallway. Fifth, don't use phones in class. We must also hand in our homework before the first class.

At first I thought the rules were too many. Now I know they help us study and keep us safe. I will follow them every day.

参考译文

每个班级都需要规则。我们班有五条规则，我认为它们对我们有好处。第一，按时到校。第二，每周一穿校服。第三，保持教室干净整洁。第四，不要在走廊上奔跑。第五，上课不要用手机。我们还要在第一节课前交作业。起初我觉得规则太多了。现在我知道它们能帮助我们学习，也能保护我们的安全。我每天都会遵守它们。

范文七 我的家规

My Family Rules （约 89 词）

There are some rules in my home, and they are not very strict.

I have to get up at seven and make my bed. After school, I must finish my homework before dinner. I can watch TV for half an hour after dinner, but I can't play games on my phone. On Sundays, we clean the house together. My parents also have a rule: no phones at the dinner table.

These rules help me use my time well. I think a family with clear rules is a happy family.

参考译文

我家有一些规矩，它们并不很严格。我必须七点起床，并整理好床铺。放学后，我必须在晚饭前完成作业。晚饭后我可以看半小时电视，但不能用手机玩游戏。星期天，我们一起打扫房子。我的父母也有一条规矩：吃饭时不许看手机。这些规矩帮助我很好地利用时间。我认为，一个有明确规矩的家庭是幸福的家庭。

范文八 图书馆规则

Library Rules （约 88 词）

Our school library is a good place to read. Here are some rules for it.

Please keep quiet in the reading room. Don't eat or drink there. After you read a book, put it back on the shelf. You can borrow two books at a time. You must return them in two weeks. If you return a book late, you can't borrow books for a week. Don't move the desks or chairs.

Follow these rules, and everyone can enjoy the library. Let's keep it clean and quiet together.

参考译文

我们学校的图书馆是一个读书的好地方。下面是我们图书馆的一些规则。请在阅览室保持安静。不要在那里吃东西或喝饮料。读完一本书后，请把它放回书架。你一次可以借两本书。你必须在两周内归还。如果还书晚了，你一周内不能借书。不要搬动桌椅。遵守这些规则，每个人都能享受图书馆。让我们一起保持它的干净和安静。

范文九　我们为什么需要规则

Why We Need Rules　（约 88 词）

Some people think rules are boring. But I think rules are important in our life.

On the road, rules keep us safe. If everyone runs a red light, accidents will happen. In school, rules keep order. If students talk in class, no one can listen to the teacher. In a game, rules keep it fair. Without them, the strongest always wins, and the game is no fun.

Rules are like the lines on a playground. They don't stop us from playing. They make the game fair for everyone.

参考译文

有些人认为规则很无聊。但我认为规则在我们的生活中很重要。在路上，规则保护我们的安全。如果每个人都闯红灯，就会发生事故。在学校，规则维持秩序。如果学生在课堂上讲话，就没有人能听老师讲课。在比赛中，规则保证公平。没有规则，最强的人总是赢，比赛也就没有意思了。规则就像操场上的线。它们并不阻止我们玩耍，而是让比赛对每个人都公平。

范文十　那天，我选择等待

The Day I Chose to Wait　（约 100 词）

Last Saturday, my mother and I took the subway to Chunxi Road. The platform was very crowded.

When the train came, people pushed to get on. I wanted to push too, because I was afraid of being late. But the rule says, 'Let the passengers get off first.' So I stood still and waited. A woman with a baby in her arms got off slowly. She smiled at me and said, 'Thank you.'

We still got on the train and found a seat. That day I learned that following a rule makes others happy, and it makes me happy too.

参考译文

上周六，我和妈妈坐地铁去春熙路。站台上非常拥挤。列车到站时，人们推着往上挤。我也想挤，因为我怕迟到。但规则说："先下后上。"于是我站着不动，静静等着。一位抱着婴儿的女士慢慢走下车。她对我笑了笑，说："谢谢你。"我们照样上了车，还找到了座位。那天我明白了，遵守规则能让别人开心，也能让自己开心。

一、满分范文

范文一 我的锻炼习惯

My Exercise Habits （约 117 词）

Many people think keeping fit means going to the gym, but for me it is simply part of my daily life.

I usually get up at six thirty and skip rope for twenty minutes in the yard. Then I walk to school, which takes about fifteen minutes. On Tuesday and Thursday afternoons, I play table tennis with my classmates. I am not a great player, but I never miss a game. On weekends, my father and I often ride bikes along the Tianfu Greenway.

These habits take little time, but they keep me energetic all day. I have learned that we do not need a gym to be healthy. We just need to keep moving every day.

亮点解析

1）开头用 Many people think... but for me... 形成对比，一句话点明“我的锻炼就在日常里”，扣题简洁。2）主体按早晨跳绳、走路上学、下午打球、周末骑行的顺序展开，usually、often 等频率副词和具体时间让习惯真实可信。3）结尾把 take little time 与 keep me energetic 对照，再用 I have learned that 引出感悟，收束自然。

亮点句： *I have learned that we do not need a gym to be healthy.* （译文：我明白了，保持健康并不需要健身房。）

范文二 写给同学的健康建议

Some Advice on Keeping Fit （约 119 词）

Dear classmates, I notice that many of us feel tired in class and often catch colds in winter. Here is some advice that may help.

First, move more. We should stand up and stretch during the ten-minute break instead of looking at our phones. Second, get enough sleep. Going to bed before ten gives us enough energy for the next day. Third, eat properly. We can bring fruit and milk to school instead of drinking sweet drinks. Finally, stay in a good mood. When we are worried about exams, we should talk to our parents or teachers.

Health is the most important thing in our lives. If we follow these small tips, we will study

better and smile more.

亮点解析

1）开头以 Dear classmates 呼告，用 I notice that 句型摆出“上课犯困、冬天常感冒”的现象，自然引出建议。2）主体用 First、Second、Third、Finally 分层，每层都是“观点加做法”，should 与 can 交替出现，建议具体可做。3）结尾先用判断句 Health is the most important thing in our lives 点题，再用 if 条件句展望效果，号召力强。

亮点句： *If we follow these small tips, we will study better and smile more.* （译文：如果我们照这些小建议去做，我们会学得更好，笑得更开心。）

范文三 运动会上的八百米

The 800-Metre Race at the Sports Meeting （约 127 词）

Our school sports meeting took place last Friday. I signed up for the 800-metre race, the event I feared most.

When the starting gun fired, I ran too fast and soon fell behind. Halfway through, my legs felt as heavy as stones and I wanted to stop. Then I heard my classmates shouting my name along the track. Their voices pulled me forward, and I kept running step by step. In the last hundred metres, I passed two runners and crossed the line in fourth place. I did not win a medal, but I beat my own record by six seconds.

Now I understand that a sports meeting is not only about winning. It is about trying your best and knowing that your friends are behind you.

亮点解析

1）开头用 took place last Friday 交代时间，再用 the event I feared most 制造悬念，读者自然想知道“我”跑得怎样。2）主体按“起跑—落后—听到加油—坚持—冲线”的顺序推进，as heavy as stones、pulled me forward 等表达让画面可感。3）结尾由事及理，先以 not only about winning 递进一层，再用 It is about... 句把运动会写成成长课，升华自然。

范文四 运动改变了我

Sports Changed Me （约 120 词）

Two years ago, I was the quiet boy who sat at the back of the classroom and got out of breath after climbing three floors.

Everything changed when my PE teacher asked me to join the running club. At first I could only run 400 metres. I wanted to give up, but he told me to run one more lap each week. Slowly, running became a habit. Now I run for half an hour every evening and can finish 1,000 metres without stopping. I have also made many friends there.

Sports have given me not only a stronger body but also a braver heart. I am no longer afraid of difficulties, because I know I can get through them step by step.

亮点解析

1）开头用 Two years ago 和 who 引导的定语从句描写过去的自己，quiet、out of breath 与后文的改变形成反差。2）主体以 join the running club 为转折，用 At first、Slowly、Now 三个时间词串起变化过程，真实可信。3）结尾用 not only... but also 总结身体与内心的双重收获，braver heart 一语点题。

范文五　校园健身倡议书

A Proposal for a Fitter Campus　（约 139 词）

Dear fellow students, have you noticed that more and more of us spend the break sitting in the classroom? Our eyes are tired and our backs ache, yet we hardly move.

I would like to suggest a simple plan. Before the first class, let us run two laps around the playground to wake up our bodies. During the break, we can set up a skipping corner beside the basketball court, and everyone is welcome to join in for five minutes. After school, we should take part in one sport, such as table tennis or badminton. Take our class as an example: since we started morning runs last term, we seldom catch colds.

A strong body is the best gift we can give ourselves. Let us put down our phones, step out of the classroom and enjoy the sunshine together.

亮点解析

1）开头用 have you noticed that 引导的反问句唤起听众注意，tired eyes、aching backs 写出不运动的现状，为倡议作铺垫。2）主体按“课前—课间—课后”三个时间点给出可操作的做法，并用 Take our class as an example 举出本班例子，说服力强。3）结尾用 A strong body is the best gift we can give ourselves 这一富有感染力的句子点明主旨，再以 Let us... 发出号召，语气恳切。

1）开头用 It is four o'clock... 交代时间，full of life 总写气氛，The sun is shining, and a gentle wind is blowing 两句先画出天气背景。2）主体用 Look! 领起画面，按草地—树下—湖边—广场的顺序移动镜头，while、and 把同时发生的动作连成一片，人物一多也不显乱。3）结尾用 What 感叹句评价场景，再以 Everyone is busy doing... 收束，由景到情，紧扣“此时此刻”。

亮点句： *Under a big tree, an old man is playing chess with his friends, while two boys are watching quietly.* （译文：一棵大树下，一位老人正和朋友们下棋，两个男孩在旁边安静地看着。）

范文二 一次特别的课间

A Special Break （约 137 词）

It is ten past ten in the morning, and the break between classes has just begun. Usually the playground is noisy at this time, but today it is quiet, because it is raining outside.

In our classroom, everyone is doing something different. Li Ming and Wang Fang are playing chess at the back of the room, and a small crowd is watching them. Two girls are drawing a big rainbow on the blackboard. By the window, Zhang Lan is reading a storybook. Our English teacher is standing at the door, talking with a boy about his homework. Nobody is running or shouting, but the room is full of quiet laughter and soft voices.

When the bell rings, the rain stops and the sun comes out. We rush to the playground, laughing. What a special break this is!

亮点解析

1）开头先点明课间时间，再用 Usually... but today... 的对比制造悬念：外面下雨，操场反常地安静。2）主体把镜头推进教室，用 everyone is doing something different 总起，再分写下棋、画彩虹、看书、师生交谈四个画面，角度各不相同。3）结尾用 When 从句写出天气转晴，最后以感叹句点题，前后照应“特别”二字。

亮点句： *Usually the playground is noisy at this time, but today it is quiet, because it is raining outside.*（译文：平常这个时候操场很吵，但今天很安静，因为外面正在下雨。）

范文三　在表妹的生日派对上

At My Cousin's Birthday Party　（约 129 词）

Dear Tony, I am writing to you from my cousin Lily's birthday party. How are you these days? Can you guess what everyone is doing right now?

The party is at my aunt's home, and the room is full of color and laughter. My aunt is putting fruit on a big plate, and my uncle is cooking chicken in the kitchen. Some kids are playing games on the floor, and two of them are laughing so hard that they cannot speak. Lily is wearing a pink dress and showing us her new bike. Right now, my grandma is cutting the cake, and we are all singing to Lily.

I wish you were here with us. Please write back and tell me what you are doing now. Yours, Chen Jie

亮点解析

1）开头用书信格式，I am writing to you from... 直接交代“我就在现场”，再问候对方并用设问句 Can you guess...? 引出下文，读者有代入感。2）主体按人物分镜头：姑姑摆水果、叔叔烤鸡、孩子们做游戏、表妹展示新车、奶奶切蛋糕，so... that... 一句写出笑声的程度。3）结尾用 I wish you were here 表达遗憾，并请对方回信说说“你此刻在做什么”，与标题、时态呼应。

亮点句： *Some kids are playing games on the floor, and two of them are laughing so hard that they cannot speak.*　（译文：一些孩子在地板上做游戏，其中两个笑得说不出话来。）

范文四　雨中的一幕

A Scene in the Rain　（约 130 词）

It is half past five, and the rain is coming down hard. School is over, but nobody is leaving. We are all standing at the school gate, watching the water running down the street.

Outside, people are hurrying home with their umbrellas. A woman is holding a little girl in her arms, and the girl is laughing at the rain. Two boys are running across the road, holding their schoolbags over their heads. A bus is coming slowly, and the water is splashing under its wheels. At the street corner, an old man is selling roasted sweet potatoes, and steam is rising into the cold air.

Then a car stops beside me. It is my father! He is waving at me through the rain. Suddenly the cold afternoon feels warm.

亮点解析

1）开头用 It is half past five 与 the rain is coming down hard 定下画面基调，nobody is leaving 一句写出大家的无奈，也为后文“被接走”作铺垫。2）主体由近及远：抱孩子的妇女、举着书包跑过的男孩、慢慢进站的公交、卖红薯的老人，动作全部用现在进行时，雨中的城市像一幅流动的画。3）结尾用一个短句 It is my father! 制造惊喜，最后以 cold 与 warm 的对比收束，情景交融。

亮点句： *A woman is holding a little girl in her arms, and the girl is laughing at the rain.* （译文：一位妇女怀里抱着一个小女孩，小女孩正对着雨笑。）

范文五 校园艺术节现场报道

In the corner, some students are painting a long picture of our city, and a boy is playing the guitar softly beside them. At the back of the hall, our head teacher is taking photos, and a few parents are selling handmade cards. Everyone is busy, but everyone is smiling.

The festival ends at five, but the happy faces will stay in my mind. Thank you for watching. See you next time!

亮点解析

1）开头用 This is Li Hua, reporting live from... 的电视直播口吻，一句就确定了“现场报道”的文体，is going on 点明活动正在进行。2）主体按舞台一角落一后排的空间顺序推进，舞蹈、绘画、弹吉他、拍照、义卖各有分工，so... that... 写出观众的反应，画面有动有静。3）结尾用 ends at five 与 will stay in my mind 作时间上的对照，再用一句道别收尾，完整保留直播的格式。

亮点句： *Their dance moves are so wonderful that the audience is cheering loudly.* （译文：她们的舞步如此精彩，观众正大声喝彩。）

一、满分范文

范文一 雨中的一把伞

An Umbrella in the Rain （约 136 词）

Last Tuesday afternoon, the sky suddenly turned dark when I was walking home from school. Soon the rain came down heavily, and I had to stand at the door of a small shop with other people.

I was worried because I had no umbrella and my mother was waiting at home. Just then, a girl in our school uniform opened her umbrella and asked where I lived. She walked with me all the way to my building, though her home was in the other direction. When we said goodbye, the rain was still falling, but my heart felt warm.

I never knew her name, but I will always remember that rainy afternoon. If I meet her again, I will say thank you. Rain or shine, a kind heart is the most beautiful thing in the world.

亮点解析

1）开头用 Last Tuesday afternoon 交代时间，the sky suddenly turned dark 写出天气突变，为下文借伞作铺垫。2）主体按“没带伞—陌生人借伞—绕路送我回家”的顺序叙事，though her home was in the other direction 这一让步细节突出善意，my heart felt warm 用天气与心情的对照收束本段。3）结尾先设想“如果再遇见她”，用 if 条件句表达感谢，再由一次经历上升到对善意的感悟，Rain or shine 呼应单元主题。

亮点句： *When we said goodbye, the rain was still falling, but my heart felt warm.* （译文：告别时，雨还在下，但我的心里暖暖的。）

范文二 给来成都的朋友的天气提醒

A Weather Tip for Your Trip to Chengdu （约 132 词）

Dear Mike, I'm glad to hear that you will visit Chengdu next month. Here is some advice about the weather before you start your trip.

Spring and autumn are the best seasons here. It is usually warm and sunny, but it can be cool in the morning and at night, so you'd better bring a light jacket. Summer is hot and wet. If you come in July, you will need a hat and an umbrella, because the rain often comes suddenly. Winter is not very cold, but the sky stays grey for weeks, so a warm coat is useful.

Chengdu is a city where you can enjoy both sunshine and rain. If you pack the right clothes, you will have a wonderful trip. I'm looking forward to seeing you. Yours, Li Hua

亮点解析

1）书信格式完整：Dear Mike 开头、Yours, Li Hua 结尾，I'm glad to hear that... 先寒暄，Here is some advice about the weather 一句点明写信目的。2）主体按春夏秋冬的顺序介绍天气，you'd better bring a light jacket 给出穿衣建议，If you come in July, you will need a hat and an umbrella 用“主将从现”的条件句给出具体提醒。3）结尾 If you pack the right clothes, you will have a wonderful trip 再次用条件句收束，Chengdu is a city where... 定语从句让语言更地道。

亮点句： *If you come in July, you will need a hat and an umbrella, because the rain often comes suddenly.*（译文：如果你七月来，你需要一顶帽子和一把伞，因为雨常常来得突然。）

范文三 成都的四季天气

The Weather in Chengdu in Four Seasons （约 134 词）

Chengdu is my hometown, and its weather is different in each season. Many people say the city is always cloudy, but that is not the whole story.

Spring comes early here. In March, the days get warmer, and flowers bloom along the streets. Summer is hot and rainy. Sometimes the rain lasts for days, and the air feels wet. Autumn is the best season of the year: the sky is clear, the temperature is comfortable, and the leaves turn yellow. In winter it is not very cold. There is little snow, and the sun seldom comes out.

Because of the wet weather, people here love tea and hotpot. If you visit Chengdu in autumn, you will understand why life here is so comfortable. The weather may change, but our love for life never does.

亮点解析

1）开头先承认“多云”的普遍印象，再用 but that is not the whole story 转折，自然引出四季各有特点的主体。2）主体按春、夏、秋、冬的顺序介绍，the temperature is comfortable、the sun seldom comes out 等表达具体自然，冒号后三个并列分句让秋季描写层次清楚。3）结尾用 If you visit Chengdu in autumn, you will understand... 的条件句与 The weather may change, but our love for life never does 的对比句升华主题。

亮点句： *The weather may change, but our love for life never does.*（译文：天气会变，但我们对生活的热爱永远不会变。）

范文四 一场雨改变的计划

When the Rain Changed Our Plan （约 125 词）

Last Saturday, my classmates and I planned to climb Qingcheng Mountain. We were going to meet at the school gate at seven in the morning.

However, when I woke up, I heard the rain beating on the window. The sky was dark, and the weather report said the rain would last all day. Because of the heavy rain, we had to change our plan. We went to the city library instead. We read books, told jokes and even helped a little boy find his mother. To our surprise, the day was more fun than the climb we had planned.

If it is fine next Saturday, we will try the mountain again. But now I know that a rainy day can be a good day too.

亮点解析

1）开头用 planned to 和 were going to 交代原定计划，meet at seven in the morning 让计划显得具体可信。2）主体用 However 转折，the rain beating on the window 写雨势，Because of the heavy rain 引出计划改变，图书馆里的三件小事说明改了计划也能有收获。3）结尾用 If it is fine next Saturday, we will try the mountain again 的条件句与 But now I know... 的感悟收束，先抑后扬。

亮点句： *To our surprise, the day was more fun than the climb we had planned.* （译文：令我们惊讶的是，这一天比我们原本计划的爬山更有趣。）

范文五 天气与心情

Weather and My Mood （约 133 词）

Some people say that the weather decides how we feel. I think it is true in some ways, but not always.

On sunny days, I wake up early and want to go outside. The bright sunshine makes me active, and I can finish my homework quickly. On rainy days, I sometimes feel sleepy and lazy, because the grey sky seems to slow everything down. However, I have learned to enjoy rainy days in a different way. I make a cup of hot tea, sit by the window and listen to the rain. Reading a book on such a day is a quiet pleasure.

If we choose to be happy, we will find beauty in any weather. Rain or shine, every day is a gift, and it is up to us to enjoy it.

亮点解析

1）开头用 Some people say... I think... 提出观点，true in some ways, but not always 让态度不绝对化。2）主体以 On sunny days 与 On rainy days 对比两种天气下的状态，再用 However 转入“换个方式过雨天”，hot tea、by the window、listen to the rain 等细节让心情变化真实可感。3）结尾 If we choose to be happy, we will find beauty in any weather 用“主将从现”的条件句点明主旨，Rain or shine 与单元主题呼应。

亮点句： *If we choose to be happy, we will find beauty in any weather.* （译文：如果我们选择快乐，我们就会在任何天气里发现美。）

一、满分范文

范文一　那个我永远不会忘记的生日

The Birthday I Will Never Forget　（约 137 词）

This year my thirteenth birthday fell on a Tuesday. Both of my parents left for work early and said nothing about it. On my way home, I felt sad and thought they had forgotten my birthday.

When I opened the door at six, the room was dark. Suddenly the lights came on, and my parents, my grandparents and my best friend all started to sing 'Happy Birthday'. On the table were a big cake and a bowl of dumplings that my grandma had made that afternoon. They told me they had been planning the surprise for two weeks.

I made a wish and blew out the candles in one breath. My parents had not forgotten my birthday at all; they just wanted to give me a surprise. That night, I learned that love sometimes hides in silence.

亮点解析

1）开头没有直接写“难忘”，而是先写父母一早出门、只字未提生日，用 felt sad and thought they had forgotten 制造小小的误会，为后面的惊喜埋下伏笔。2）主体用 When I opened the door at six 把镜头拉进家里，Suddenly the lights came on 一句转折，再用 On the table were... 这一倒装句把蛋糕和饺子推到读者眼前，画面感很强。3）结尾用分号对比“父母并没有忘记，只是想给我惊喜”，最后以 love sometimes hides in silence 点题，把“难忘”落到亲情上，意味深长。

亮点句： *That night, I learned that love sometimes hides in silence.*　（译文：那天晚上我明白了，爱有时藏在沉默里。）

范文二　青城山上特别的一天

A Special Day on Qingcheng Mountain　（约 137 词）

Last April, my father took me to Qingcheng Mountain for a one-day trip. We set off at seven, and the air was cool and fresh. I was sure we would have a wonderful day.

It began to rain as soon as we reached the halfway point. The stone steps were wet and slippery, and I fell down twice. I wanted to give up. While I was sitting on a rock, an old couple passed by. The old man smiled and told me that the best view was at the top.

With his words in mind, I stood up and went on climbing. At the top, the rain stopped and the clouds lifted. Never had I seen such a green and quiet world. That day taught me that the most beautiful view always comes after the hardest climb.

亮点解析

1）开头用 Last April 交代时间，took me to Qingcheng Mountain 点明地点和人物，再用 I was sure we would have a wonderful day 写出出发时的好心情，与下文的雨形成反差。2）主体按“上山—遇雨—想放弃—老人鼓励”推进，as soon as 写出雨来得突然，While I was sitting on a rock 用过去进行时交代背景，fell、wanted、passed、smiled、told 等过去式动词让情节连贯。3）结尾用 Never had I seen such a green and quiet world 这一倒装句写出登顶后的震撼，最后以 the most beautiful view always comes after the hardest climb 点明“先苦后甜”的道理，首尾呼应。

亮点句： *Never had I seen such a green and quiet world.*　（译文：我从未见过如此青翠、宁静的世界。）

范文三　考试失利后的那一天

The Day I Learned from a Failed Exam　（约 138 词）

I will never forget the Friday when I got my maths exam paper back. The score was sixty-eight, my lowest ever. I put the paper at the bottom of my bag and walked home slowly, afraid to meet my mother's eyes.

That evening, my mother found the paper in my schoolbag. She said nothing about my score, which surprised me. Instead, she cooked me a bowl of noodles and sat beside me. We went over every mistake together, and she wrote down three things to do before the next test.

Before bed, I made a simple study plan. From that day on, I did ten problems every evening. Two months later, my score went up to ninety-one. The paper is still in my desk, reminding me that a bad day can be the start of a good change.

亮点解析

1）开头用 I will never forget the Friday when... 直接点题，The score was sixty-eight, my lowest ever 用具体分数把“失利”写实，afraid to meet my mother's eyes 这一细节写出怕被责备的心理。2）主体写母亲发现试卷后的反应：She said nothing about my score, which surprised me 用非限制性定语从句补充“我”的意外，cooked me a bowl of noodles、sat beside me、went over every mistake 三个动作把“不责备、只陪伴”写得温暖可信。3）结尾用“定计划—每天做题—两个月后提高”的时间链交代转变，最后以 reminding me that a bad day can be the start of a good change 收束，把“难忘”升华为成长。

亮点句： *The paper is still in my desk, reminding me that a bad day can be the start of a good change.*（译文：那张试卷还在我的书桌里，它提醒我：糟糕的一天也可以是一个好的改变的开始。）

范文四　帮助一位老人的那一天

The Day I Helped an Old Man　（约 139 词）

Last Saturday morning, I was riding my bike to the library when I saw an old man fall down near the market. One handle of his shopping bag broke, and apples rolled all over the road.

I stopped at once and ran to him. While I was helping him stand up, a young woman stopped and called his son. The old man's knee was hurt, so I picked up the apples and carried the bag for him. Then I walked him to the bus stop and waited with him.

He thanked me again and again and put an apple in my hand. By the time I got to the library,

it was almost closing time, but I did not mind at all. On my way home, I felt warm inside, because helping others brings its own kind of happiness.

亮点解析

1）开头用 I was riding my bike to the library when I saw an old man fall down 这一“过去进行时加 when”结构，把偶遇写得突然而自然。2）主体按“停车—扶人—捡苹果—送站”的动作顺序展开，While I was helping him stand up 交代同时发生的事，picked up、carried、walked、waited with 等动词让帮助的过程具体可感。3）结尾用 By the time... 写出“迟到却不觉遗憾”的反差，最后以 helping others brings its own kind of happiness 点明主题，情理交融。

亮点句： *On my way home, I felt warm inside, because helping others brings its own kind of happiness.*（译文：回家的路上，我心里暖暖的，因为帮助别人本身就会带来一种快乐。）

范文五　一家人团聚的那一天

The Day the Whole Family Came Home　（约 139 词）

Last Mid-Autumn Festival, my uncle's family drove from Chongqing to Chengdu, so our whole family was finally together. My grandmother got up at five to prepare dinner, and my mother and I put up red lanterns.

In the evening, ten of us sat around one big table. Not only did we enjoy my grandmother's dishes, but we also shared the happiest moments of the past year. After dinner, we carried mooncakes out to the balcony. While we were watching the full moon, my grandfather told us stories about his childhood, and even my little cousin listened quietly.

Before we went to bed, we took a family photo, which now hangs in our living room. When I look at it, I always remember that warm night. A family does not need to be rich; it only needs to be together.

亮点解析

1）开头用 Last Mid-Autumn Festival 点明时间，drove from Chongqing to Chengdu、finally together 交代团聚的来之不易，got up at five、put up red lanterns 两个细节写出全家忙碌又欢喜的气氛。2）主体按 In the evening、After dinner 的时间顺序写“吃团圆饭—赏月—听爷爷讲故事”，Not only did we enjoy... 用部分倒装强调物质与情感的双重收获，While we were watching the full moon 用过去进行时烘托温馨气氛。3）结尾用 which now hangs in our living room 这一非限制性定语从句把照片与回忆连起来，最后以 A family does not need to be rich; it only needs to be together 收束，简洁有力。

亮点句： *Not only did we enjoy my grandmother's dishes, but we also shared the happiest moments of the past year.*　（译文：我们不仅品尝了奶奶做的菜，还分享了过去一年里最开心的时刻。）

一、满分范文

范文一 我最喜欢的故事《守株待兔》

My Favourite Story: The Farmer and the Hare （约 119 词）

My favourite story is The Farmer and the Hare, an old Chinese fable. Once upon a time, there was a farmer who worked hard in his field every day.

One day, while he was working, a hare ran into a tree, broke its neck and died. The farmer picked it up happily and took it home for dinner. From that day on, he threw away his hoe and sat by the tree, waiting for another hare. Days passed, but no hare came. In the end, his field was full of weeds.

The story tells us that waiting for luck is a waste of time. I like it because it always reminds me to work hard for what I want.

亮点解析

1）开头用 My favourite story is... 直接点题，再用 Once upon a time 引出故事，符合寓言叙述的经典开头。2）主体按“拾到兔子—放下锄头—田地荒芜”的顺序推进，From that day on、Days passed、In the end 等时间词语让情节清楚，broke its neck、threw away his hoe 等动作描写简练生动。3）结尾用 tells us that 宾语从句点明寓意，再用 reminds me to... 联系自己，主题自然升华。

亮点句： *The story tells us that waiting for luck is a waste of time.* （译文：这个故事告诉我们，等待好运只是浪费时间。）

范文二 两粒种子的寓言

The Fable of Two Seeds （约 125 词）

Last week our teacher asked us to write a fable. I made up a story about two seeds. Once upon a time, two seeds lay on the soft soil and talked about their dreams.

The first seed said, 'I want to grow into a big tree.' It closed its eyes and went down into the dark earth. The second seed was afraid. 'The soil is dark and cold. I will stay here and enjoy the sun,' it said. So it stayed on the ground. A few days later, a bird came down, picked it up and flew away.

The first seed grew into a tall tree, and many birds sang in its branches. My fable tells us that we cannot grow without a little courage.

亮点解析

1）开头交代写作任务，I made up a story about... 自然引出下文，让“自编寓言”有来处。2）主体用两粒种子的对话和不同选择作对比：一粒勇敢钻进泥土，一粒害怕留在原地，结果一好一坏，对比鲜明。3）结尾先用 grew into a tall tree 写出结果，再用 tells us that 点明寓意，小故事讲出大道理。

亮点句： *My fable tells us that we cannot grow without a little courage.* （译文：我的寓言告诉我们，没有一点儿勇气，我们就无法成长。）

范文三 一次难忘的讲故事比赛

An Unforgettable Storytelling Contest （约 134 词）

Last Friday, our school held a storytelling contest in the school hall. I was the fifth speaker, and my hands were cold when I walked onto the stage.

I told the story of The Lion and the Mouse. Once upon a time, a lion caught a little mouse and laughed at it. But he let it go. Later, the lion was caught in a net. The little mouse ran to him and bit through the net with its sharp teeth. 'You laughed at me, but I can still help you,' said the mouse. When I finished, the hall was quiet for a second, and then everyone clapped.

I did not win first prize, but I learned something important. A small kindness can be a big help, and a quiet story can touch many hearts.

亮点解析

1）开头用 Last Friday、our school held... 交代时间、地点和事件，my hands were cold 一句写出上场前的紧张，代入感强。2）主体按“上台—讲故事—掌声”的顺序展开，once upon a time 引出故事内容，故事里的对话让叙述更生动。3）结尾用 I did not win first prize, but... 转折写出收获，最后用两个并列句点明主题，立意高于“得奖”。

亮点句： *A small kindness can be a big help, and a quiet story can touch many hearts.* （译文：小小的善意也可能帮上大忙，一个安静的故事也能打动许多人的心。）

范文四 愚公移山给我的启示

What Yu Gong Taught Me （约 127 词）

When I was nine, my grandfather told me the story of Yu Gong. Once upon a time, an old man wanted to move two high mountains in front of his house.

His neighbours laughed at him. 'You are almost ninety. How can you move a mountain?' Yu Gong answered, 'I will die, but my sons will go on, and their sons after them. The mountains will never grow, but our hands will never stop.' Day after day, he carried stones to the sea. In the end, the gods were moved and took the mountains away.

This story gave me a lot of courage. When a maths problem is hard, I think of Yu Gong and try one more time. Big dreams are not built in a day.

亮点解析

1）开头用 When I was nine, my grandfather told me... 交代故事的来源，亲切自然。2）主体先写邻居的嘲笑，再用愚公的话回应，I will die, but my sons will go on 一句写出“子子孙孙无穷匮也”的精神，In the end 引出结局。3）结尾由故事回到自己的学习生活，用 When a maths problem is hard... 具体说明启示，最后一句点题。

亮点句： *When a maths problem is hard, I think of Yu Gong and try one more time.* （译文：遇到解不出的数学题时，我就会想起愚公，再试一次。）

范文五 向你推荐《皇帝的新装》

A Story I Want You to Read: The Emperor's New Clothes （约 121 词）

Dear Peter, I heard that you are looking for an English story to read. I'd like to recommend The Emperor's New Clothes.

It is a famous story by Hans Christian Andersen. Once upon a time, an emperor loved new clothes very much. Two cheats told him they could make a magic coat that only clever people could see. The emperor and his officers could see nothing, but no one dared to say so. When the emperor walked through the street, a little child cried out, 'But he has nothing on!'

The story is short and easy, and the ending will make you laugh. It also tells us to be honest and brave. I'm sure you will enjoy it. Yours, Li Hua

亮点解析

1）书信开头用 I heard that you are looking for... 说明写信缘由，I'd like to recommend... 直接点明推荐的书目。2）主体用三句话概括故事：皇帝爱新衣、骗子织“魔衣”、小孩说出真话，情节完整又不啰嗦。3）结尾从“好读”和“有用”两个角度说明推荐理由，I'm sure you will enjoy it 收尾得体。

亮点句： *It also tells us to be honest and brave.* （译文：它还告诉我们要诚实、勇敢。）

范文六 龟兔赛跑

The Tortoise and the Hare （约 94 词）

Once upon a time, a hare laughed at a tortoise for being so slow. 'Let's have a race,' said the tortoise.

The race began. The hare ran very fast and soon left the tortoise far behind. He thought, 'I have plenty of time. I will have a rest.' So he lay down under a tree and fell asleep. The tortoise kept walking. He did not stop.

When the hare woke up, he ran to the finish line, but the tortoise was already there. The story tells us that slow and steady wins the race.

参考译文

The farmer was very happy. He took the hare home and had a good dinner. Then he said, 'Why work so hard? I can wait for another hare.' He put down his hoe and sat by the tree all day.

Days passed, but no hare came. The farmer's field was full of weeds, and his family had nothing to eat. The story tells us that we should not wait for luck.

范文八 乌鸦喝水

The Crow and the Pitcher （约 88 词）

My favourite story is The Crow and the Pitcher. It is a short fable about a clever crow.

One hot day, a crow was very thirsty. He found a pitcher with a little water in it. His beak could not reach the water. He did not give up. He picked up small stones one by one and dropped them into the pitcher. The water rose higher and higher.

At last, the crow drank the water. The story tells us that a clever idea can solve a hard problem.

范文九 灰姑娘

Cinderella （约 97 词）

Once upon a time, there was a kind girl called Cinderella. Her stepmother and two stepsisters made her do all the housework.

One day, the prince invited all the girls in the kingdom to a ball. Cinderella could not go, but her fairy godmother helped her. She went to the ball in a beautiful dress and danced with the prince. At twelve o'clock, she ran away and left one glass slipper behind.

The prince found the slipper and looked for its owner. It fitted Cinderella. They got married and lived happily together. Kind people deserve good things.

范文十 故事里的道理

Lessons from Old Stories （约 89 词）

I love reading old stories. They are short, but they teach us a lot.

The Tortoise and the Hare tells me not to be proud. The Farmer and the Hare tells me not to wait for luck. The Lion and the Mouse tells me that even a little mouse can help a lion.

These stories come from long ago, but their lessons are still true today. When I meet a problem, I often ask myself, 'What would the story tell me to do?' Then I know what to do.

参考译文

我喜欢读古老的故事。它们很短，却教给我们很多道理。《龟兔赛跑》告诉我不要骄傲。《守株待兔》告诉我不要等待运气。《狮子与老鼠》告诉我，即使是一只小老鼠也能帮助狮子。这些故事来自很久以前，但其中的道理至今仍然适用。遇到问题时，我常常问自己："故事会让我怎么做呢？"然后我就知道该怎么做了。
